17 July 2019

To whom It may concern -ref P.O. P21576

DSC Trading and BizJet International Sales and Support (BizJet) have entered into a purchase agreement for the attached list of inventory, which was obtained from BizJet stock.

The materials identified within the consumable parts inventory were previously received compliant to our procedures under the Company's subscribed airworthiness certifications namely; CAAC, EASA, FAA, Part 145 regulations.

As a result of closing of our completions business segment, these parts have been maintained in a state of dormant inventory and therefore, still meet the current regulations (as stated above).

The parts listed on the attached document have not been subjected to severe heat or stress. None of the parts have obtained from any government or military source.

These parts are new, as removed, serviceable or overhauled condition, as specified on the applicable documentation.

Best regards,

A handwritten signature in black ink, appearing to read "Jay Walters", with a stylized flourish at the end.
